

Director's Welcome

On behalf of the entire ISM community – staff, students and parents – I would like to welcome you to the International School of Monaco.

Whether you are moving to Monaco for the first time, or already living and working in the region, we know that finding the right school for your child is of paramount importance. I hope this website will give you a flavour of our distinctive bilingual programme and our very diverse international community.

Our school has come a very long way indeed since we opened our doors in 1994 to just 34 students. Today, the International School of Monaco has over 500 students from over thirty five countries. We offer them a fully accredited international education in excellent facilities, and a teaching staff who are passionate about helping young people to learn and grow.

As you look through this website we hope you will find answers to most of your questions, and that, above all, you will be encouraged to come and visit our school and to see for yourselves our beautiful facilities and to meet our staff and students. If you have questions about any aspect of school life, please do not hesitate to contact us. This website is regularly updated so be sure to check in from time to time to read the latest news and download a copy of our most recent Gazette.

We look forward to hearing from you.

Sincerely,

Aryane Beachner
Acting Director
