

THE SEVEN STRATEGIC DIRECTIONS

- 1 *The Well-Being of Staff and Students – welcomed, valued, cared for, safe and supported.*
- 2 *A School which is focused on the quality and excellence of learning for all students*
- 3 *The ISM Student Portrait – what kind of persons we want our students to become and how can we best help them get there.*
- 4 *A planned “Individual Language Journey” for each child*
- 5 *Clear Communication and a compelling identity, which is understood by all both internally and in the community and beyond.*
- 6 *Stable, effective Governance and Leadership, which model and are based on trust and accountability.*
- 7 *Looking to the future and creating together, an exciting and innovative new school facility - a centre for excellence in learning and teaching.*
