THE INTERNATIONAL SCHOOL OF MONACO

FAMILY BOOKLET

The PTA (Parent-Teacher-Association)
gives you a hearty welcome to ISM!

Our school offers a rich multicultural environment with wonderful educational, social and community service opportunities for students and their families, with over 47 nationalities represented. We encourage parents to become involved in the school community through the PTA, which is a fun and rewarding way to make friends, settle into your new community and help support the school in its aims achieve the highest level of education for your children.

Parents are given assistance from the moment they decide to send their children to ISM.

We offer advice, support and can put families in touch with other ISM parents who speak your own language if that helps. Once you arrive, you will be welcomed and start becoming part of our friendly ISM community.

We hope that you find this booklet helpful as you settle into your new school and community. It is by no means an exhaustive list of activities and suppliers in Monaco, but we hope it is a useful reference point. We welcome your suggestions for activities and association to be included. This booklet will be updated during the year and posted on the school's website. Whatever your questions, please do not hesitate to contact us and we will help you find the answer.

WHAT DOES THE PTA DO

All parents are automatically Members of the Parent Teacher Association. Our aim is to foster positive working relationships between parents and our children's school. We organize a variety of social events throughout the year and help to sponsor fund raising events which are organised to help the school and the nominated charities. Each class has its own PTA Representative (all parents are eligible for this role) and there are key officers helping with welcome, hospitality and special events such as sports day and the annual Summer Fête.

The PTA is always in need of your contributions to be able to organise the events and support the school, for which we are very grateful. This year we hope we can count on a large number of parents support, so please bring along your ideas and suggestions on how you can help and be part of the team!

How to volunteer

If you are interested in helping with any of the events listed below, please send an email to Alessandra Likierman at pta@ptaismonaco.com and you will be contacted by the coordinator of that event at the appropriate time.

GREEN PAGE

HSH Prince Albert II has made protecting our planet a number one priority for all who live and work in Monaco. You can help meet his goal of reducing the principality's footprint by 50% before year 2030 by actively supporting these community efforts:

- Sign the National Pact for energy Transition and commit simple, practical but effective eco actions in and outside the home.

www.transition-energetique.gouv.mc

- Help recycle your rubbish by disposing of your papers in the blue bin, glass in the green and plastic in the yellow. Plus find out where you can dispose of batteries, light bulbs, medical products and even old clothes.
