

The Middle School at ISM

We offer a comprehensive, academic program that is aimed at laying down the foundation for obtaining an IB qualification.

**Further details of our curriculum may be found by visiting our website at:
www.ismonaco.org**

In order to support our academic programme, the Middle School offers:

- Educational trips to Florence, Paris, and Arles to support our curriculum in Years 7-9
- A sports programme including the Med Cup for boys and girls football and the UNSS girls and boys football championship, Sports Day, ski trips, canyoning, via-ferrata, and a competitive running club
- MUN held annually at Eganaude
- A speech competition with other schools on the Cote D'Azur
- Performing and Visual Arts programmes
- Community outreach programs such as the No Finish Line and a partnership with the local retirement home
- A Homeroom and Advisory programme
- Extracurricular activities such as CSI Club, Ocean Club, Maths Clinic, Art Club, Coding Club, Net Ball, Knitting, Drama, Squash, Yoga, Sailing, Newspaper, Debates in French, Reading Café and Robot Club

Our Mission is to enable students to become academically and personally successful people who are internationally minded and motivated to become lifelong learners and caring citizens prepared to take effective responsibility in an ever-changing world.

Our Focus is Developing Responsibility and Independence

Welcome to the Middle School where we focus on nurturing and strengthening independent learning in an environment which:

- provides a smooth transition from Primary to Middle (childhood to adolescence)
- has a strong academic programme which challenges all students
- helps students become well balanced, confident and competent learners
- develops a strong relationship between staff and students
- instills life and study skills which support healthy personal development
- continues to promote a love of learning and inquiry
- has a fair and consistent approach to discipline

Year 7 Visit Arles,
Nimes and Avignon

Year 9 Visit Paris

Museum Day

During Museum Day students shared their learning from their classes, making links to their educational trips.
