SCHOOL AND COMMUNITY
Founded in 1994 the International School of Monaco is an independent, co-educational day school located on the port. The school is in session on a trimester basis from end of August to end of June. Co-curricular and extracurricular activities include Model United Nations (MUN), student government, the International Award and other clubs. ISM caters for children aged 3-18, and offers a broad and balanced education to its students and seeks to promote international understanding through its programmes of study. In August 2020 the International School of Monaco signed a historic educational partners working collaboratively, sharing good practice and providing opportunities for staff and student exchanges.

LEADERSHIP AND GOVERNANCE
The school is run by the Director, Mr Julian Thomas, supported by a Senior Leadership Team. The Director reports to the Board of Trustees, comprising up to nine Members, which is elected by the School Association, of which all parents are automatically members.

FINANCES
The school has a no debt policy. Annual tuition fees support all the operational budget expenses. A Capital Development Fee and fundraising events pay for the cost of upgrading our premises and for other capital items.

SCHOOL COUNCIL
The School Council is an extra-statutory body whose mission is to support the Board and work on specific projects relevant to the life and the well-being of the school.

PTA
The School's PTA welcomes new parents and engages in social activities which support and enrich the school's social and extra curricular programme. Each class has a PTA representative.

CURRICULUM
The curriculum at ISM is academically challenging and the school has high expectations of its pupils.

EARLY YEARS / PRIMARY (ages 3-10)
The programme in these years is bilingual English/French and is based on the best of international curricula.

THE SECONDARY SCHOOL (ages 11-18)
Offers a broad curriculum, which includes languages, mathematics, the humanities and sciences as well as creative subjects and physical education.

WE PREPARE STUDENTS FOR THE FOLLOWING ACADEMIC PROGRAMMES

1. IGCSE (Classes 10 and 11)
Administered by the University of Cambridge in the United Kingdom.

The IGSCE is a two-year programme leading to individual subject certificates which are internationally recognized and common to many top International Schools.

2. IB Diploma (classes 12 and 13)
Administered by the International Baccalaureate Organization (IBO). Established in 1968 to provide students with a balanced education and facilitate geographic and cultural mobility, it is an academically challenging programme of education which promotes international understanding and prepares students for admission to universities throughout the world. Since 2001, ISM has offered the IB Diploma, an academically challenging programme which promotes international understanding and prepares students for admission to universities throughout the world.

In September 2020, the IB Careers-related Diploma was launched to provide students with a different pathway. The first cohort is expected to graduate in 2022.
LANGUAGES

In the Early Years and Primary School, instruction is bilingual 50/50 in both English and French. In the Secondary School, English is the main language of instruction, while French remains a major subject. Spanish and Italian are offered as foreign languages, with German, Italian and Russian as mother tongue options. Additional support in English and French is also available.

EXTRA-CURRICULAR

An extensive Extra Curricular programme is provided which includes sports, music and drama. The School also participates in the Duke of Edinburgh International Award, the Model United Nations and numerous community projects. In 2021 ISM will host Monaco’s first TedX Youth event.

EXAMINATION RESULTS

In the IB Diploma and IGCSE programmes results are well above global averages with overall high pass rates.

ACCREDITATION

ISM is accredited by the Council of International Schools (CIS) and the International Baccalaureate Organization. The School is also an authorized Examination Centre for the Cambridge IGCSE exams and the ABRSM and LAMDA (music and drama) examining boards.
