August 31st, 2006	17	13 (No entry)	Grade12	Terminale	П	4° liceo	12
	18					5° liceo	13

^{*}Please note: at ISM entry into the class is based on the child's age <u>as on August 31st</u> in the year of entry. While we do take into account the child's previous academic records and class placement,

only in exceptional circumstances will a child be admitted to a class outside of his/her age group.
