\*Please note: at ISM entry into the class is based on the child's age **as on August 31st** in the year of entry. While we do take into account the child's previous academic records and class placement, **only in exceptional circumstances will a child be admitted to a class outside of his/her age group.**

KPM children can join physically only when they are at least 2.5 years old, are clean and do not need to take naps in the afternoon.
